

Moorfield Primary School

Early Years Foundation Stage

We aim to ensure that the youngest members of our school family are happy and confident learners. We provide a nurturing environment in which our children are kept safe and are well cared for. We strive for all children to develop a rich and varied vocabulary and become effective communicators. We endeavour to ensure that all our children achieve the very best outcomes possible and experience a positive start to school life that enables them to fully realise their potential, personally and academically, as they move through our school.

We achieve this by:

- Understanding and respecting the individual and unique needs of each child,
- Providing a warm, welcoming, stimulating and language rich environment,
- Planning carefully to provide a rich and varied curriculum that is tailored to meet the needs of the children,
- Encouraging the children to take responsibility for their learning space and teaching them how to manage risk within it,
- Placing a high value on play and learning through play,
- Setting high expectations for behaviour,
- Celebrating kindness,
- Having high expectations and promoting resilience,
- Being positive role models in our relationships with others,
- Establishing positive parent partnerships,
- Working as a team,
- Adhering to relevant safeguarding procedures.
