09 June 2020

Dear Parents and Carers,

As has previously been explained our school plan is constantly under review. Following on from the news regarding the increase in the 'R' rate in the North West, the Governing Body has taken the very difficult decision to delay any wider re-opening of the school for children other than the current vulnerable and critical worker children.

The decision to re-open for other year groups will only be considered once we are completely satisfied that the Government's five conditions are being met, and we feel able to keep children and staff safe.

We have pushed our current plans for the reopening of the school to Year 1 back, to the 22<sup>nd</sup> June 2020. However, please bear in mind that, at this point, we are unable to commit to that date and will keep you informed.

This also impacts on the future proposed return dates for EYFS children which will also now be delayed.

We apologise for the change in arrangements and hope that you will be supportive of our decision.

Thank you for your patience and understanding.

Kind regards

*K Heyes*
