

Hi from Funky Monkey's,

Good News! Following updated Government Guidance, we have now been given the green light to re-open. We will be welcoming our children back at the start of the new school year in September.

We are working closely with Moorfield school to make sure there is a smooth transition between both settings and parental guidelines will be issued prior to September to make sure we are adhering to the latest Government Guidelines.

Due to the latest Guidance, initially, we will be reducing our daily intake of children, so we kindly ask all returning children or new starters to please Email us as soon as possible on funkymonkeyskc@yahoo.co.uk to register your interest. Priority will be given to our families who have retained their places with us.

We have missed our children so much and are looking forward to seeing them all again soon.

Take care

Yvonne & Girls.
