Vibrant Loving Proud

12th January 2021

Dear Parents/Carers,

I do hope my letter finds you and your family safe and well. I would like to thank you all, once again, for your patience and support last week, as well for as the overwhelming messages of support and praise for the school staff. I would like to congratulate everyone who is supporting their child with their home learning; not only have staff been extremely impressed by the level of engagement but also the quantity and quality of work children are completing. I appreciate how difficult it is to educate children at home and hope we are not in this situation for too long. In the meantime, to ensure that children get the most out of our on line lessons and that these lessons run as smoothly as possible, please could you take some time to run through our Remote Learning Code of Conduct with your child (to follow separately).

If you have any questions for your child's teacher between the hours of 9am – 2.30pm, please email using the address with which you have been provided. Any emails received outside of this time cannot be addressed. Alternatively contact the school office and we will do our best to guide and support in any way we can.

Best wishes

Kathryn Heyes
