*Vibrant Loving Proud*

Dear Parents and Carers,

During the current lockdown, we aim to limit, as much as possible, any disruptions to your child's education. Your child has been identified as normally, whilst in school your child reads daily with an adult for 20 minutes and engages in our Accelerated Reader Programme. Whilst, I fully appreciate that it is difficult at the moment for everyone, especially in those households where both parents and children are working from home, we are asking for your assistance in maintaining your child's participation in the Accelerated Reading programme so they continue to make progress with their reading.

The Accelerated Reader programme is an online reading tool used in conjunction with daily 1:1 reading. Currently, every time your child finishes their school reading book, they undertake a quiz in relation to that book to check their comprehension. We would very much appreciate your support in helping your child to access these quizzes at home.

## **Overview of Accelerated Reading Process**

The Accelerated Reader quiz is normally five or ten questions and your child should not refer back to the book when they are answering the questions.

1. You will need a quiz number for each book read. This is 6 digits long and can be found on the inside of the front cover.
2. Your child then needs to access the internet and type:

[HYPERLINK "http://www.ukhosted6@renlearn.co.uk/6711740"renlearn.co.uk/6711740](http://www.ukhosted6@renlearn.co.uk/6711740)

This will then take them to a page with the options: I am a teacher or I am a student.

3. Click on student - Type their name as surname and then initial (no space) e.g. pricej
4. Fill in the password. This is your child's initials e.g. jp
5. Click on Accelerated Reader
6. Type the six digit quiz number in the long rectangular box titled 'find a book' and the correct book should come up. If there is no quiz number you can type the name of the book in instead and access it that way.
7. Click on take quiz
8. Click the correct option-read with an adult or read by myself
9. Click start quiz
10. At the end of the quiz it will give your child a score out of five or ten

11. Your child can then revisit any questions they may have answered incorrectly

12. Your child's name should be on the top right of the page. If you click on their name it will give you the option to log off

All access to the quizzes relating to the book your child has read will be monitored in school to help track progress.

If you need any further assistance please do not hesitate to contact me at school. Thank you for your continued support and cooperation

Kind regards
